The handbook's vision, content organization, and easy-to-read style make it suitable as a special guidelines and source of information for students, teachers, interactive designers, heuristic evaluators, programmers, analysts, enginners, and general reader. It may also serve both as a reference handbook for researchers and ICTs specialists, and as a textbook.

Hear, mortals, the sacred cry: "Freedom! Freedom! Freedom!"
Hear the noise of broken chains, see the noble Equality enthroned
Alejandro Vicente López y Planes (1785 - 1856)
