

The handbook's vision, content organization, and easy-to-read style make it suitable as a special guidelines and source of information for students, teachers, interactive designers, heuristic evaluators, programmers, analysts, engineers, and general reader. It may also serve both as a reference handbook for researchers and ICTs specialists, and as a textbook.

If you can dream it, you can do it.

Walt Disney (1901 – 1966)
